

## Kirk in the Hills

1340 W. Long Lake Rd.  
Bloomfield Hills, Michigan

Patterned after Scotland's Melrose Abbey, the Kirk—  
set amid rolling hills, spacious gardens and beside  
a lake—stands like an old world cathedral. The  
windows, of jewel-like stained glass, portray the life  
of Christ, and the tower houses the largest cast bell  
carillon in the world.
